Introduction

In the name of the most merciful, peace be upon the greatest messenger Muhamad and upon his pure family Sayeda Fatima and Imam Ali and the infallibles from their bloodline and may Allah put us with them in the highest levels of heaven and grant us their intercession on the day of judgment and hasten the appearance of our khalifa Imam Mahdi.

I made this book as a gift to the shias and a title that Inshallah I'll hold on the day of judgment being a helper of the Ahlulbayt peace be upon them and a guider towards their path, this book will Inshallah guide a lot of our sincere Sunni brothers to the right path and open their eyes on the misguidance that Nawasib do. By your Greatness Ya Allah by your prophethood ya Muhamad by your Imamah ya Ali I start and may Allah (SWT) accept me.
